Total QSO's = 9274.

Station Operation – normal.

Emergency Communications – None.

Old Business – The FT-757 is down. There are currently 3 HF positions in operation.

New Business – Two amendments to the Bylaws were presented:

1. An amendment to change Section 4, Paragraph 4.1, General Meetings, second and third sentence **from**: "All regular general meetings shall be held on the third Monday of the scheduled month. In the event of a holiday, the meeting will be held on the second Monday of the month." **To**: "All regular general meetings shall be held on the third Saturday of the scheduled month. In the event of a holiday, the meeting will be held on the second Saturday of the month."

John Goheen moved/Lou Prestley seconded.

Point of Order: Can the amendment be approved at this meeting? Answer is yes according to Section 2 of the Bylaws.

Discussion: Reason for the change is that the new meeting date should result in a larger membership participation since the most number of members are usually aboard on Saturday. However, the third Saturday will cause a meeting to fall on the Dayton Hamfest weekend.

Amendment of the main motion offered: An amendment to change Section 4, Paragraph 4.1, General Meetings, second and third sentence **from**: "All regular general meetings shall be held on the third Monday of the scheduled month. In the event of a holiday, the meeting will be held on the second Monday of the month." **To**: "All regular general meetings shall be held on the second Saturday of the scheduled month. In the event of a holiday, the meeting will be held on first Saturday of the month."

John Goheen moved/Lou Prestley seconded. Amendment carried.

Main motion approved as amended.

2. An amendment to change Section 7, Notification in writing, **from:** "Whenever notification in writing is required, the use of electronic mail (e-mail) shall meet the requirements for any member agreeing to substitute e-mail for written mail." **To:** "Whenever notification of the general membership in writing is required, the use of electronic mail (e-mail) and posting on the BNJARS website shall meet the requirements for any member."

John Goheen moved/Lou Prestley seconded.

Discussion: The need for this amendment is necessitated by the fact that there are no funds regularly available to pay any postage that may be needed. Also, should any member not possess e-mail or internet access, that member should be able to gain that needed access from a local library or other such public facility providing internet access.

Amendment approved

Good of the Order – John Goheen, KB2ADL, gave an oral report on his visit to HMS *Belfast* museum ship moored in Thames River in London, England. The occasion was the HMS *Belfast's* 65<sup>th</sup> birthday which was being celebrated by the Royal Navy Amateur Radio Society (RNARS), Belfast group. At the RNARS party aboard *Belfast*, John presented the group an encased US flag flown over the USS *New Jersey* as a present from the *New Jersey* to the *Belfast*.

Adjournment – 1950.
